About Me:

My name is Miss Marissa McGuire, and I am 23 years old. I moved to Gainesville in August of 2018 from Buffalo, New York.

This year will be my fourth year as a preschool teacher, and second year as a lead teacher here at B'nai Israel!

I have known that I loved working with children, ever since the age of 14, when I started as an assistant dance teacher for children 3-11 years old. And now, since spending the last four years in childcare... I know it is my passion!

When I'm not at school, I'm usually crafting, spending time outdoors, or playing with my dog!
